DISCUSSION: Helium magnetic wave reflections,
 spinors, Reflection, quantum mechanics, Quantum
 scattering, Scattering

This is a connected detailed representation of the re-
 sults obtained during the last 12 years by the investi-
 gation of the inversion problem of the quantum theory
 which is formulated as follows. Under the assumption
 that the potential $q(x)$ for $x \rightarrow \pm \infty$ decreases sufficiently
 (Phys. Math. Problems, TT, v. 3, no. 10)
